JOHN INMAN)
Plaintiff,)
Vs) 2:05 CV 526 T
JAMES CATON, JR.)

A F F I D A V I T

Before me, a Notary Public in and for said County and State of Alabama at large, personally appeared Officer James Caton, Jr., who being known to me and by me first duly sworn, deposes, and says on oath as follows:

My name is James Caton, Jr. I am currently employed as a Correctional Officer I with the Alabama Department of Corrections assigned to Draper Correctional Center, Elmore, Alabama 36025. I am over twenty-one years of age and have personal knowledge of the facts set forth below.

On October 28, 2004 at approximately 1:30 PM I was driving an ADOC bus with 14 inmate passengers. The bus was involved in an accident with a pick-up truck driven by Mr. Hugh Steadham. The pick-up collided with the left side of the bus. All inmate passengers were immediately transported to the Staton Health Care Unit. The plaintiff, inmate John Inman, was later transferred by ambulance to Baptist South Hospital in Montgomery where he was treated and released back to the Staton Health Care Unit for observation. The plaintiff did not receive any serious injuries and was released back to Draper general population on October 29, 2004.

The plaintiff's claim of injuries to his spine and finger are without merit. He has been seen by the attending physician and an orthopedic specialist. Also, a c-spine x-ray did not find any damage to his spine or finger.

I was drug tested per Administrative Regulation 602 by the Alabama Alcohol and Drug Management Systems Inc. and my urine specimen was negative for narcotics and alcohol.

James Caton Jr. C.O. I.
James Caton, Jr., COI

SWORN TO AND SUBSCRIBED before me this 17th day of August 2005.
